

REMARKS

The Examiner is thanked for the careful review of this application and the indication that claims 11-18 contain allowable subject matter. Applicant has thoroughly reviewed the outstanding Office Action and the references cited therein.

- 5 The following remarks are believed to be fully responsive to the Office Action and, when coupled with the above amendments, patently distinguish the claims over cited art of record.

- 10 Independent claim 1 is amended to include all of the limitations of the dependent claim, and claim 7 is canceled. It is believed that the changes made to the claims overcome the objection and rejections noted by the Office Action, and no new matter is added to the application by these amendments.

CONCLUSION

- 15 In light of the above remarks, Applicant respectfully submits that all claims 1-18 as currently presented are in condition for allowance and hereby requests allowance of these claims.
